Sponsorship Program

Make a difference in an animal's life.

Our shelter is one of the few “no-kill” shelters in Québec. We receive no financial assistance from the government and rely solely on donations from the public to pursue our mission to help animals in need. Your generosity makes a huge difference in the lives of these innocent beings who ask only for a second chance at a happy life.

Through our Sponsorship Program, you can provide essential support for the care, rehabilitation, and well-being of animals in our shelter. Some have been waiting for adoption for a prolonged period or require specialized attention due to factors such as age, trauma, behavior issues, or medical conditions.

For as little as \$150 per year, you contribute directly to vital expenses such as veterinary care, medication, specialized diets, training, and enrichment. As a sponsor, you will receive a certificate and a photo of your sponsored companion, along with a heartfelt Christmas card. You will also have the opportunity to schedule visits with your sponsored animal by appointment. If your sponsored animal is adopted, we will gladly assign you another deserving dog or cat.
